INTRODUCTION TO THE SUMMER SESSION

The Summer Session is designed for the interests and educational needs of many students. The first five-week (May/June) Term is designed for any student who attends a college that operates on an early semester plan. The second five-week (June/July) Term can meet the needs of college students and adult learners.

Courses are offered in the daytime and in the evening. Daytime classes in the May/June and/or June/July Terms normally meet for two hours a day, Monday through Thursday. Most evening classes in these two terms meet for approximately two and one-half hours on Monday, Tuesday, and Thursday. It is possible to earn as many as eight credits in each of these two terms. Taken together, that is, considering both five-week terms, a student can earn up to 16 credits, which is roughly equivalent to a full semester of coursework.

School teachers may wish to take classes for recertification or to expand their learning during the June/July term, or by taking a late afternoon or evening course in the May/June term. Similarly, qualified rising high school seniors may take courses at these times in order to get a taste of college coursework. Interested high school students should contact the College's Office of Academic Services (703/654-1010) for application information. Additional information for high school students is shown on page 3 of this *Bulletin*.

THE HONOR SYSTEM AT MARY WASHINGTON COLLEGE

The Honor Code at Mary Washington College serves to provide mutual trust between the students, the faculty, and the administration. The Honor System functions as the primary unifying force to promote and maintain the atmosphere of freedom and trust that is essential to intellectual growth and maturity. The students at Mary Washington feel that an operative Honor Code contributes to this atmosphere by assuring that courses of study are pursued independently and freely to each student's satisfaction. The perpetuation of the Honor System relies upon the interaction of each student in his/her support of the System.

The Honor Code is founded upon certain assumptions and premises which every student must fully understand in order to actively support the System. Our system is based on a strong belief in the necessity of the fundamental honesty and integrity of each member of the college community. The student's integrity is the very spirit of our way of life at Mary Washington College.

Each student must realize that by accepting admission to Mary Washington he/she has acknowledged his/her obligation of commitment to the provisions of the Honor Code. Upon matriculation at the College, each student is counseled on both the ideas and the specifics behind the Honor System. Following counseling, each student must sign an Honor Pledge, thus endorsing a code which prohibits lying, cheating, and stealing. It is only with this acceptance of the Code that a student is considered to be an actual member of the community.

In keeping with the belief in the integrity of all students here, the Honor System also assumes that an accused person is innocent until proven guilty. It is necessary that an accusation against a student be made by another student, a teacher, or College official before any action can be taken by the Honor Council. The Honor Council, composed of elected representatives and an elected president, is responsible for interpreting the Honor Code and for seeing that no student is found guilty without a fair hearing.

The Honor System at Mary Washington recognizes that the student is a mature person who is responsible for his/her own actions. It does not function solely as a system of rules and regulations but complements the academic environment. The idea of having an Honor System originated with the student; likewise, the enforcement and continuation of the system is in the student's hands.

The benefits of the Honor System are many. The feeling of trust among students, teachers, and College officials contributes greatly to the amount of freedom extended to each individual. One's word of honor is accepted as such. Instructors often give take-home tests, and tests and exams are unproctored. Students are free to browse leisurely in the bookstore and in the stacks of the library. As in any atmosphere of freedom, there is also present the need for responsible action to protect that freedom. An active awareness of this responsibility contributes to the maintenance of the spirit of the Honor System, making it more than just a cherished tradition or ideal. It is, indeed, a life force within the community, an integral aspect of Mary Washington College.

Note: All students who are new to Mary Washington College should read carefully the information about the Honor Code. GRADES WILL BE WITHHELD UNTIL THE HONOR PLEDGE IS SIGNED AND ON FILE AT THE COLLEGE.

STATEMENT OF COMMUNITY VALUES AND BEHAVIORAL EXPECTATIONS

Mary Washington College is an academic community dedicated to the highest standards of scholarship, personal integrity, responsible conduct, and respect for the individual. We hold among our foremost common values:

- -The importance of personal integrity as reflected in adherence to the Honor Code;
- -The right of every individual to be treated with dignity and respect at all times;
- -The acceptance and appreciation of diversity in our community and adherence to the College's statement of Non-Discrimination;
- -The freedom of intellectual inquiry in the pursuit of truth.

As members of the College community, we refuse to tolerate behavior that in any way compromises or threatens these values.

Every student, upon enrolling, automatically accepts the obligation to comply with the College's rules and regulations.

Undergraduate Admission. Any regularly enrolled undergraduate student at Mary Washington College may register for coursework during the Summer Session.

A newly admitted student, or one who is eligible to return to another college or university, may furnish proof of good standing in one of three ways: a) by having the appropriate portion of the Summer Session application signed by the student's Academic Dean, b) by furnishing an official copy of the student's transcript, or c) by providing a letter, signed by the student's Academic Dean, which attests that the student is eligible to return to his/her current institution.

A high school student is not a candidate for a degree at Mary Washington College and is not assigned an academic or departmental adviser. S/he is expected to fulfill all requirements for any course taken.

Mary Washington College requests each applicant for admission to submit, on a voluntary basis, a Social Security number in compliance with Chapter 9.2, Section 23-91.40 of the Virginia Code, which is consistent with the Federal Privacy Act (PL 93-579). This number is used for identifying student records, accounts, library usage, and other internal procedures. The student's number is not released to the public.

Each student is required to present a valid ID card for admission to the dining hall, library, Goolrick Hall (physical education facility), tennis courts, and College-sponsored events, as well as for check-cashing purposes. The ID card is revalidated each semester for the student who is attending the College. The card is the property of the College; it is not transferrable nor can it be loaned. Deliberate misuse of an ID card is an Honor Code violation. The cards are color coded: gray, residential student; cream, commuting student; green, graduate student. Commuting Summer Session students who elect to use Health Center services must first register for such services at the Student Accounts Office (111 GW Hall) and also have a completed *Medical Information Form* on file before services can be provided. (Note: Summer Session students who were Mary Washington College residential students during the 1994-95 academic year may use their *Medical Information Form* already on file.)

ENROLLMENT POLICIES FOR THE SUMMER SESSION

Students who wish to enroll for the Summer Session must complete the appropriate forms in the back of this *Bulletin* and file them with the Office of Academic Services. Students may: (1) apply, register, and pay fees by mail or, (2) apply, register, and pay fees on the day of registration. Students who are applying for one of the courses which requires field experience or for courses meeting at special times should pay particular attention to the deadline dates shown with the course descriptions.

Acceptance for the Summer Session neither signifies nor implies that the student has been admitted for the regular session of the College. Credits earned during the summer by students who have not been granted regular admission status to Mary Washington College will be considered for degree credit only when, and if, regular admission is granted.

VEHICLE REGISTRATION AND PARKING

The operation and parking of a motor vehicle on the campus and environs is a privilege granted by Mary Washington College. The administrative regulation of faculty, staff, and student parking is necessary to provide the least inconvenience, not only to the members of the College community, but also to the residents who live in the immediate vicinity of the campus.

Every vehicle operated by a Mary Washington College student -- degree-seeking or non-degree-seeking, full-time or part-time, commuting or residential -- must be registered with the Office of College Police. Registration of a student vehicle must be completed within 24 hours of bringing it to the campus the first time. White decals are assigned to commuting students; residential students are assigned decal colors by the number of credit hours completed. Commuting students whose official college residence is in the area near the College designated in the Parking Regulations as the "Restricted Area" must obtain a special decal to permit parking there. **NOTE: Failure to register your motor vehicle will result in both a fine and a review of your privilege to operate a motor vehicle. In addition, unregistered vehicles are subject to towing.**

Vehicle registration may be accomplished at any time in the Office of College Police, Lee Hall; the office is open around the clock. A valid operator's license and a valid vehicle registration certificate must be presented at the time such registration takes place. Please do not park your vehicle in areas designated for faculty/staff or on residential streets in the vicinity of the College except as noted in the Parking Regulations. Resident students displaying a current resident student decal (red, yellow, green, or blue) may park in any residential lot during the summer sessions. Illegally parked vehicles will receive parking tickets, either from the College or from the City of Fredericksburg.

If you operate a vehicle in the Fredericksburg area, please take time to read carefully the Parking Regulations because changes have been made for parking areas, etc. These changes supersede any previously stated regulations.

ADMISSION AND REGISTRATION INSTRUCTIONS FOR STUDENTS ATTENDING THE 1995 SUMMER SESSION AT MARY WASHINGTON COLLEGE

Forms are enclosed (see inside of back cover of this *Bulletin*) which, when completed and appropriate fees have been paid, will allow a student to be admitted to, and then register for, classes during the Summer Session. The forms included are the *Summer Session Application* (complete both sides), the *Virginia In-State Tuition Form* (complete both sides) if you wish to claim Virginia domicile for reduced tuition rates, the *Registration and Fees Sheet,* the *Housing Application*, (if needed), and the *Medical Information* form. **Registration materials for the Summer Session will be accepted beginning April 3 by mail or April 17 in person, Director of the Summer Session, Office of Academic Services, Mary Washington College, 1301 College Avenue, Fredericksburg, Virginia 22401-5358 (703/654-1010).**

Registration by mail. A student registering by mail must complete all of the enclosed forms that are appropriate and include payment for all fees when the forms are sent. Materials for the May/June term must be received by May 12; for the June/July term by June 16. All information requested on the forms must be provided in the appropriate spaces. Failure to complete all forms will delay the enrollment process. Time permitting, a student will be mailed a listing of the course(s) for which s/he is enrolled. No letter of acceptance will be mailed. Instructions for completing the *Registration and Fees Sheet* are provided on the next page.

On-Campus Registration. If not completed earlier by mail (or in person), a student may register in person from **4:00-6:30 p.m. on Thursday, May 18**. Registration will be held in Dodd Auditorium of George Washington Hall.

A student who plans to take courses in more than one Summer Session term may register for courses in any term at the first appropriate registration date, thereby eliminating the need to be present for any subsequent registration period. **THE REGISTRATION PROCESS WILL BE ACCELERATED FURTHER IF THE STUDENT ARRIVES WITH ALL FORMS ALREADY COMPLETED.** The student must be prepared to pay all fees at the time of registration. Instructions for completing the *Registration and Fees Sheet* are provided on the next page.

Registration for Courses Taught at Special Times. The dates for these courses are shown in the course descriptions section of this *Bulletin*. A student who plans to enroll for one or more of these courses should do so by mail or register on the first day of one of the regular 5-week terms.

Instructions for Completing the *Registration and Fees Sheet*. This form is divided into two sections. In Part I of the form, the student lists the courses he or she wishes to take; in Part II, costs are determined. A worked example is provided on the next page.

A Worked Example
of the
REGISTRATION AND FEES SHEET

Let's assume that you are an undergraduate student who wishes to take one course in the May/June Term and two courses in the June/July Term, that you are a Virginia resident, and that you will live in double-occupancy college housing. The following steps should be followed on the *Registration and Fees Sheet* (see inside back cover of this *Bulletin*).

PART I:

1. Enter your name, social security number, etc. at the top of the form.

2. In the area titled "May/June Term" list the course desired. Place all course abbreviations and numbers on this line as they are shown in the Schedule of Courses (pages 29-36).

3. Repeat the process in the "June/July Term" area by listing the courses you wish to take.

4. Add the number of credits for which you've registered and place the total in the "TOTAL CREDITS" box.

PART II:

5. Enter $25.00 as the application fee in the first box under the column marked "SUBTOTAL".

6. Enter $10.00 (required for all residential students) as the telecommunications access fee in the second box under the column marked "SUBTOTAL".

7. Multiply the number of credits (3) for the May/June Term by $108 per credit for Virginia residents and place $324 in the appropriate box of the May/June Term column. (Note that Virginia and non-Virginia residence rates are shown both for undergraduate and graduate credits.)

8. Multiply the number of credits (6) for the June/July Term by $108 per credit and write $648 in the appropriate box of the June/July Term column.

9. Add the $324 and $648 and place the result ($972) in the SUBTOTAL column.

10. Next, room and board fees are determined. Place $898 in the appropriate box of the May/June Term column and $898 in the appropriate box of the June/July Term column. Add these amounts and place $1,796 in the appropriate box of the SUBTOTAL column.

11. Add the amounts shown in the SUBTOTAL column ($25 application fee plus $972 for tuition and fees plus $1,796 for room and board).

12. Place $2,803 in item 5 of the GRAND TOTAL box. **Payment should be made to Mary Washington College** and should accompany the completed forms whether registration is done or in person. Payment may be made by check or credit card (VISA or MasterCard accepted).
